# Procurement Policy – Orchestara Demo Pvt Ltd

**SAMPLE DATA – NOT A REAL CONTRACT**

## 1. Purpose

This policy sets out the rules for buying goods and services at Orchestara Demo Pvt Ltd. It aims to ensure that the company pays only agreed prices and charges. It also supports consistent control over vendor spending.

## 2. Scope

This policy applies to all vendors that supply goods or services to Orchestara Demo Pvt Ltd. It applies to all purchase orders, invoices and related charges. All employees involved in buying, receiving or approving payments must follow it.

## 3. Pricing Compliance

Vendors must bill at the prices stated in their contracts. Any price above the contract price requires an approved purchase order amendment before payment. An invoice that charges above the contract price without an approved amendment shall not be paid until the issue is resolved.

## 4. Freight and Handling

Freight or handling charges are payable only if the vendor's contract explicitly allows them. Where a contract is silent or states that freight is included, such charges shall not be paid. Any freight or handling charge billed without contractual support shall be queried with the vendor.

## 5. Approvals

Purchase order amendments must be approved in writing before the related invoice is paid. The approval must be recorded and linked to the original purchase order. The Procurement team shall not authorise payment of amended prices until this approval is on record.

## 6. Policy Owner

The Head of Procurement owns this policy and is responsible for keeping it up to date. Questions about its application should be sent to the Policy Owner. Changes to this policy take effect once the Policy Owner approves them in writing.
